## Verse 1:

**C** **F** **C**  
The news spread far and wide, He has come  
**C** **F** **C**  
To shepherds and kings alike, He has come  
**Am**  
In the mess we were in  
**F**  
Fully God and yet man  
**C** **F** **C**  
To a dying world, He has come

## Verse 2:

The sinners and ashamed, He has loved  
The sick lonely depraved, He has loved  
Among the least of these  
He brought healing and belief  
Living in the world, He has loved

## Verse 3:

On a criminal cross, He has died  
Wounded mocked and scoffed, He has died  
A sinless man we see  
The guilty have gone free  
For the world He loved, He has died

## Verse 4:

From the grave alive, He arose  
Overcame death's strike, He arose  
Life for me and for you  
Making all things new  
From the world He loved, He arose

## Bridge:

**F** **C** **G** **C**  
He arose, He arose, Hallelujah, Christ arose  
**F** **C** **G** **C**  
He arose, He arose, Hallelujah, Christ arose
